The January Edition of Kennedy Tank Talk

Team,

Thank you for reading the January edition of Kennedy Tank Talk. Read below for updates from the Kennedy Tank Team.

Christmas Luncheon

The Kennedy Tank Team had its Christmas luncheon on Friday, 12/21. We celebrated many anniversaries and achievements and had over thirty retirees attend the luncheon. Thank you to all of our customers, vendors, past and present teammates, and for all of your support.

Jeremy Huser Promoted to Vice President of Finance

Following graduation from Purdue University in 2009 with a Bachelor of Accounting degree, Jeremy began a 14-year stint as a Certified Public Accountant for Dauby O'Connor & Zaleski's accounting firm. Jeremy focused on auditing and was promoted four separate times. He has been here at Kennedy Tank for nearly two years and has already made a massive impact on

our company.

Jeremy has earned this promotion, and we are excited to see him take the ball and run with it. Please join me in Congratulating Jeremy!

90,000 Pound Vessel in our Paint Building

We are currently finishing up blasting and painting this 90,000-pound ASME pressure vessel that was 10'-0" ID X 50'-0" tangent length, which was jacketed and had over 30 connections welded to the vessel.

Kennedy Tank Teammates in Action!

Congrats to our CFO Gerry Hemmelgarn on his retirement effective 12/31/2024. You will be missed Gerry!

Congrats to Rick Smetana on becoming our sixth CWI (Certified Welding Inspector) here at Kennedy Tank!

Let us help with your next column, tower, or smoke stack!

Please contact any of your Kennedy Tank representatives if we can assist you with pressure vessels, tanks, heat exchangers, field-erected tanks, plant maintenance, and more. We hope you all have a very Happy Thanksgiving!!

Sincerely,
The Kennedy Tank Team
